

Brent Works is a free service to residents provided by the Council.

It provides the following services:

- Opportunities to find jobs and apprenticeships
- Support with the training needed to take the next step in their careers
- Connecting residents with jobs and apprenticeships across London
- One-to-one advice and guidance, through all steps towards finding work

Training Opportunities include:

- **CSCS training (required for construction jobs)**
- **Safety spectator training**
- **Traffic Marshal and various other construction training workshops**
- **Sector Based Work Academies**
- **Job opportunities upon completion of these courses**

- The Forge@ParkRoyal (Funded by HS2 and Old Oak and Park Royal Development Corporation (OPDC)), has brought together Brent, Ealing and Hammersmith & Fulham Councils, West London College, Job Centre Plus and Shaw Trust to develop a collaborative, joined-up approach to support local businesses and local people.
- By adopting this collaborative approach, we can reach more businesses and connect each organisation with a wider talent of local people who are ready and willing to work and train.
- The Forge@ParkRoyal is a service that is committed to providing a first-class service to Park Royal businesses and to the residents of Brent, Ealing and Hammersmith & Fulham; local people working locally.
- The Forge@ParkRoyal offers **free, fully funded support** to Park Royal businesses to recover and grow from the challenges presented by Covid-19 and Brexit.
- The Forge@ParkRoyal provides a free, **fully funded recruitment service** to Park Royal businesses. We will promote your vacancies, prepare suitable candidates to apply for them, screen and match on your behalf and where necessary, we will arrange interviews for you and support those you take on to help them to sustain their employment.
